Dear Sir:

Responsive to the Notice of Action dated December 12, 2002.

REMARKS:

In response to the election/restriction requirement, Applicant hereby elects claimed Invention III (Figures 7 to 9).

It is submitted that the following claims are specifically directed to the elected invention, Claims 11, 15, 16 and 20 to 26.

This election is made without prejudice to the non-elected Invention which may be pursued, if necessary, in one or more divisional applications.

It is requested that the Examiner examine the application containing the above claims.

Respectfully submitted

DAVID LANGTRY
